NOTES FOR THE REGISTERED MEDICAL PRACTITIONER

Please complete the sections below having regard to the 'Assessing fitness to drive - a guide for medical professionals' issued by the UK Government's Driver & Vehicle Licensing Agency.

The purpose of this medical report is to determine the applicant's fitness to drive Group 1 vehicles and must be submitted by the applicant together with their driving licence application form. If you have any doubt about the applicant's fitness for this type of driving please contact their Parish Issuing Authority.

Applicants who may be asymptomatic at the time of the completion of this report and who later show symptoms of a medical condition should be advised to inform their Parish Issuing Authority.

The following conditions are prescribed in Jersey law and prevent an applicant from holding Group 1 entitlement categories (A1 - light motorcycle, A - heavy motorcycle, B1 - motor tricycle, B- passenger and small goods vehicle, B+E - passenger and small goods vehicle with trailer, f - tractor, h - tracked vehicle, k pedestrian controlled vehicle, p - moped):

Visual standards

- Have a visual acuity on the Snellen scale not less than 6/12 (decimal 0.5) with corrective lenses if necessary.
- Have the ability to read in good daylight, with corrective lenses if necessary, a registration mark that is fixed to a motor vehicle and contains characters that are 79mm high and 50mm wide viewed from a distance of
 - > 12 metres, in the case of an applicant for, or the holder of, a licence to drive only a vehicle in category K, or
 - 20 metres, in any other case
- Have a field of vision not less than:
 - 120 degrees on the horizontal plane
 - 50 degrees left and 50 degrees right
 - Extension 20 degrees above and below the horizonal plane
 - Have no signifiant defect present within a radius of the central 20 degrees

- · Have had a period and clinical confirmation of adaptation, if suffering from diplopia or sight in only one eye.
- Have no other impairment of visual function, including glare sensitivity, contrast sensitivity or impairment of twilight vision

Epilepsy and seizures

- · Have been free from any unprovoked seizure during the period of one year immediately preceding the date when the licence is granted; or
- Have not in the last year suffered an unprovoked, other than a permitted, seizure

Diabetes mellitus

- Have not had 2 or more episodes of severe hypoglycaemia while awake during the previous one year period, with the most recent episode occurring during the previous 3 month period
- Has awareness of hypoglycaemia
- Has an understanding of the risks of hypoglycaemia and adequate control of the medical condition
- Attends medical appointments as recommended by their registered medical practitioner
- Carries out appropriate monitoring to assess glucose levels and any risk of hypoglycaemia

Other prescribed medical conditions

- Severe mental disorder
- Liability to sudden attacks of disabling giddiness or fainting
- Persistent misuse of drugs or alcohol, whether or not the misuse amounts to dependency
- The absense, deformity or loss of use of one or more limbs which is not progressive in nature.

Important

Use section 12 (Further details) for any essential additional information. If a condition or physical disability can be accommodated for driving by the use of an aid or appliance (if fitted) or if the applicant can drive but should be required to take another medical examination within a stated period of less than 5 years, please say so in section 12.

DATA PROTECTION

Privacy: Your Parish is registered with the Office of the Information Commissioner in Jersey and is a 'controller', as defined by the Data Protection (Jersey) Law 2018 (DPJL), of the information (personal data) you provide in connection with your application for a driving licence on this form and any other forms necessary to complete your application.

We collect: Your personal details (name, date of birth, contact details, certain medical information, signature) and may also require additional medical information and a fitness to drive certificate from a health professional. All personal data is stored securely and retained in accordance with your Parish's Data Retention Policy.

Your Parish requires your personal data in order to process your application for a driving licence in accordance with the Road Traffic (Jersey) Law 1956 and the Motor Vehicles (International Circulation) (Jersey) Law 1953.

Transfer of personal data to third parties: The Parishes have information sharing

and other agreements in place between themselves and with other Government and Law Enforcement agencies and IT service providers. These serve to protect your information in accordance with the DPJL and set out what a third party may do with your personal data including to prevent and detect crime, for law enforcement or to protect individuals from harm or injury.

Your rights: You can ask us for a copy of the information we hold about you and to correct or update this. You can ask us to

stop or restrict the processing of your personal data although we may need to cancel your licence to do so. You can complain to your Parish about the way your personal data is used (contact details are shown above) or to the Office of the Information Commissioner at 2nd Floor, 5 Castle Street, St.Helier, Jersey, JE2 3BT t: 01534 716530,

e: enquiries@oicjersey.org.

Please refer to the Privacy Notice on our website or ask a member of your Parish Hall team for more information.
